

# Mother Mother, Oh Ana

I'll be god today  
Hold my head under that bath and breathe away  
Slit my wrists and watch that blood evaporate  
Being this godly can't be good for Ana's safety, Ana hear me  
I'll play god today  
Anti up and play that god a poker game  
Walk away with all our little god's spare change  
Playing this god it can't be good for Ana's safety, Ana hear me  
Oh Ana, I'll be with you still  
You are the angel that I couldn't kill  
I'll fake god today  
Hop up on a cloud and watch the world decay  
Ana on my shoulders and we'll laugh away  
Faking this god it can't be good for Ana's safety,  
Ana hear me, Ana baby, I'm not Crazy  
Oh Ana, I'll be with you still  
You are the angel that I couldn't kill
