Mother Mother, Try To Change

Try to change..

I try to change..

I make a list of all the ways to change my ways.

But I stay the same,

I stay the s-ame.

Ohh..

I will try and try to change but I just stay the same.

Stay the same,

I stay the same.

In a decadent age I try to change

all my decadent ways but I just can't help but

stay the same.

In a decadent age.

Ohh..

I will try and try to change but I just stay the same.

The same.

The same..

The same..

The same..

Carry a cane.

I carry a cane.

'cause I tried to change

and I tried too hard

so I hurt my leg and well, overall

I just stayed the same.

Now I carry a cane.

Ohh..

I will try and try to change

but the list I made of changes to make,

it bleww awaayy...

blew away...

blew away...

blew away..

Try to change,

Try to change,

I try to change,

Try to change,

Everybody be tryin' to change,

tryin' to change,

I try to change,

I try, it's safe to say, [something..]

Don't change
