

Motion City Soundtrack, Carolina

Caroline, Carolina
A southern genius, a southern girl

Nine o' five, Monday morning
I'm sunny
To another tune

Mommy's here
Just to see her
Money making
Little girl

Caroline
Carolina
She wants to go home

I don't want this
I don't need this
I don't like this anymore
I'm waiting forever
I'm never going home
I'm spoken
Frustrated about her little girl
Nine years and intersection (?)
Caroline you're never home

Caroline
Carolina
She can lead you through
Anything

Time will tell
Socialite ... (social icon?)
Mathematics master
Beauty Queen

Caroline
Summer angel
It doesn't like this
Game you play

You take your bow
And win them over
Leave the letter
By the phone

Caroline
Carolina
She's on her way home

I don't want this
I don't need this
I don't like this anymore
I'm waiting forever
I'm finally going home
Can't stop this obsession ...
Can't

When I close my eyes
There's a place I go
My name is Caroline
I hide from everyone
On this nightmare ride
I lie far from home

Under the covers of
The dust and mud and there
My thoughts they come
Easily
I didn't ask for this
I hope you understand

(Wasted time I thought I'd never go)

So thank you Mom
And so long Dad
For the first time in my life
I'm on my own
A chance for me
To be free
To be anyone I want to be at all

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind

Concrete Carolina
Concrete Carolina
Concrete Carolina
Carolina's always on my mind
