

# Motion City Soundtrack, Even If It Kills Me

I've got a lotta things to do tonight  
I'm so sick of making lists  
Of things I'll never finish  
I've lived here for the last 12 years  
Since early 1995 all my shit has been in boxes  
But if I had a little more time to kill  
I'd settle every little stupid thing  
Yeah you'd think that I would

But I'm too tired to go to sleep tonight  
And I'm too weak to follow dreams tonight  
For the first time in a long time I can say  
That I want to try to get better and  
Overcome each moment  
In my own way

I wonder if I'll ever lose my mind  
I tried hard for awhile  
But then I kind of gave up  
Winter is killer when the sun goes down  
I'm really not as stubborn as I seem  
Said the knuckle to the concrete

But I'm too tired to go to sleep tonight  
And I'm too weak to follow dreams tonight  
For the first time in a long time I can say  
That I want to try to get better and  
Overcome each moment  
In my own way

I'm not saying that I'm giving up  
I'm just trying not to think  
As much as I used to  
Cause never is a lonely little messed up word  
Maybe I'll get it right some day  
For the first time in a long time I can say  
That I want to try  
I feel helpless for the most part  
But I'm learning to open my eyes  
And the sad truth of the matter is  
I'll never get over it  
But I'm gonna try  
To get better and overcome each moment  
In my own way

I sure want to get back on track  
And I'll do whatever it takes  
Even if it kills me
