

# Motley Crue, Flush

I \_\_\_ i'm feeling rot  
I'm feeling rotten today  
I \_\_\_ guess i forgot  
I am shot i'm not o.k.  
So long to pain, so long to games  
So long say good-bye

Someone tell me why, i'm feeling cold inside  
Do i wanna, do i wanna die  
Someone tell me why it's building up inside  
Do i wanna die and kiss it all good-bye?

\_\_\_ i'm a sinking ship  
On a sea of bliss, i'm not o.k.  
I \_\_\_ i'm blind to this  
Is this just a test to help me see

So long to you, so long to me  
So long say good-bye  
Someone tell me why, i'm feeling broke inside  
Do i wanna, do i wanna die  
Can you tell me why it's building up inside  
Do i wanna die and kiss it all good-bye?  
. . . you're the reason i would live  
. . . . . i hope that you can give me this  
. . . you're the reason  
So long to pain, so long to games  
So long say good-bye

Can you tell me why, i'm feeling dead  
Do i wanna, do i wanna die  
Someone tell why it's building up inside  
Do i wanna kiss it all good-bye?
