Motley Crue, Flush

I ___ i'm feeling rot I'm feeling rotten today I ___ guess i forgot I am shot i'm not o.k. So long to pain, so long to games So long say good-bye

Someone tell me why, i'm feeling cold inside Do i wanna, do i wanna die Someone tell me why it's building up inside Do i wanna die and kiss it all good-bye?

__ i'm a sinking ship
On a sea of bliss, i'm not o.k.
I __ i'm blind to this
Is this just a test to help me see

So long to you, so long to me
So long say good-bye
Someone tell me why, i'm feeling broke inside
Do i wanna, do i wanna die
Can you tell me why it's building up inside
Do i wanna die and kiss it all good-bye?
... you're the reason i would live
... i hope that you can give me this
... you're the reason
So long to pain, so long to games
So long say good-bye

Can you tell me why, i'm feeling dead Do i wanna, do i wanna die Someone tell why it's building up inside Do i wanna kiss it all good-bye?
