Getmyway now everyday. itakealli can get just like you  
Just like you  
Back in ya face, such a disgrace  
We're the generation swine  
Aratrace from outerspace gonna blow your mind  
Gotta getaway, gotta getaway  
Aggravation  
Gotta blow mybrains, gotta blow myy brains  
We're the generation

Rightfrom this stuff  
So my mind's asewage sump, it's smelling bad and outof luck  
Just like you  
Back in yaface . . . such a disgrace  
We're the generation swine  
Gimme no lip, here comes my fist

Don't need your lip, your ignorance  
We're the generation  
Alwayson a run, always on a run
