

Motley Crue, Generation Swine

Idon't care nowwhat i do
'cause iam just a fool like you
Getmyway now everyday. itakealli can get just like you
Just like you
Back in ya face, such a disgrace
We're the generation swine
Aratrace from outerspace gonna blow your mind
Gotta getaway, gotta getaway
Aggravation
Gotta blow mybrains, gotta blow myy brains
We're the generation
I want more, it's not enough, we get our thrills
Rightfrom this stuff
So my mind's asewage sump, it's smelling bad and outof luck
Just like you
Back in yaface . . . such a disgrace
We're the generation swine
Gimme no lip, here comes my fist
I don't need it this time
Gettin' blown away, gettin' thrown away
Degeneration
This here song's for you, the doomed welcome my fools to the
Planetboom
Thinkin' that i'll grab my space gun leave this place right now for the zoom
Gimme somespace, get outta my face,
We're the generation swine
Don't need your lip, your ignorance
We're the generation
Alwayson a run, always on a run
New sensation
Wanna go insane, gonna go insane
We're thegeneration swine
