

Motley Crue, I Don't Care

You say you love him your life is cruel
Somebody needs you someone's a fool
Well I did everything to make you see
You were the only one for me
Just be aware
I don't care

I still remember what you don't know
We should have been there honey I won't go
I took you anytime, anywhere
It's so expensive baby I don't care
Just be aware
I don't care

So say your prayers

I don't care if you need me
I don't care if you don't
I don't care if you believe me
Cause I'm sure that you won't
You can have all my money
I've never been unfair
I don't care

You say he loves you
That may be true
Honey I got something
That's good for you
