

Motley Crue, Too Fast For Love (Demo)

When you're young and crazy
Life goes on
When you're young and crazy
Goes on and on and on
You're too fast for love
You're too fast for love
You're too fast, you're too fast
You're too fast for love

Oh no, oh no
Oh. no oh no
Oh no, oh no
Living on a jet
Making love to someone else's dreams
Say it again
She puts her leg up
Well, calls it good luck
Do you know what I mean?
Do you remember?
Well I remember

Oh no, oh no
Dream machine
So damn cool she can turn on the night
The more she gets Well, the more that she needs
Do you know what I mean?
Do you remember?
Well I remember Oh no, oh no

[Chorus:]
Too fast
Too fast for love
Too fast
You're too fast for love [repeat]

Oh no, oh no
She's a streamline queen
On a sex craved movie screen
Say it again
She'll use her time up
Have nothing to show
Well mark my words
Do you remember?
Well I remember
Oh no, oh no

[Chorus]

You're too fast
You're too fast for love
