

Motley Crue, Use It Or Lose It

Ragtime fast lane another overdose
You know James Dean wasn't playing the role
I said hey, you, what-cha gonna do
When time runs out on you

Use it or lose it
Sweet pain is the name of the game
I said hey hey hey hey hey

You better use it before you lose it
You better use it don't throw it away

JFK, Marilyn Monroe
Street walking gypsy-Margaret Trudeau
I said hey, you, what-cha gonna do
Time's run out on you Use it or lose it
Sweet time is it on my side?
I said hey hey hey hey hey
Better use it before you lose it
You better use it don't throw it away

Sweet pain is the name of the game
I said hey hey hey hey hey

Better use it before you lose it
You better use it don't throw it away, hey

Better use it before you lose it
You better use it don't throw it away

Hey hey hey-don't throw it away
Hey hey hey-don't throw it away

Don't throw it away
