

# Motor Ace, When The Day Falls

sidelined,  
still tasting chemistry  
driving home,  
with some decent company

BRIDGE

when the day falls  
you'll get yours  
a simple mindfuck  
chasing the dark  
surrender daytime  
you feel, you feel the stars  
your restless stars

CHORUS

don't forget  
by the way  
i tried to walk away  
out of bed  
rubbed my head  
'cos i had no more to say  
if i stay  
would you stop calling out  
i'll walk away  
yeah i'll try  
yeah i tried  
sidelined,  
you drowned your sense of time (your sense of time)  
lose touch,  
but get a taste of life

BRIDGE

CHORUS x 2

...yesterday
