

# Motorhead, Back At The Funny Farm

Hammer pounding in my heart, I think it's gonna burst  
Spring unwinding in my head, I don't know which is worse  
I hear ya talkin' but the words are kinda strange  
One of us is crazy and the other one's insane

[Chorus:]

Stay calm, don't be alarmed, it's just a holiday  
Back at the funny farm

Nothin' in this cold white room to help me recognise  
I don't understand why everyone is in disguise  
I gotta live right now, I can't stay here no more  
But I'm afraid to try in case they've locked the door

[Chorus]

Can't find the windows but I gotta get outside  
Can you help me stand it feels like both my legs have died  
What was that injection, 'cos I think it's goin' wrong  
I really like this jacket but the sleeves are much too long

[Chorus]
