

Motorhead, God Save The Queen

[Originally by The Sex Pistols]

God save the Queen
the fascist regime,
they made you a moron
a potential H-bomb.

God save the Queen
she ain't no human being.
There is no future
in England's dreaming

Don't be told what you want
Don't be told what you need.
There's no future
there's no future
there's no future for you

God save the Queen
we mean it man
we love our queen
God saves

God save the Queen
'cos tourists are money
and our figurehead
is not what she seems

Oh God save history
God save your mad parade
Oh Lord God have mercy
all crimes are paid.

When there's no future
how can there be sin
we're the flowers
in the dustbin
we're the poison
in your human machine
we're the future
you're future

God save the Queen
we mean it man
we love our queen
God saves

God save the Queen
we mean it man
there is no future
in England's dreaming

No future
no future for you
no future for me
