

# Motorhead, Jailbait

Hey baby you're a sweet young thing,  
Still tied to Mommy's apron strings,  
I don't even dare to ask your age,  
It's enough to know you're here backstage,  
You're Jailbait, and I just can't wait,  
Jailbait baby come on

One look baby, all I need,  
My decision made at lightning speed,  
I don't even want to know your name,  
It's enough to know you feel the same,  
You're Jailbait, and I just can't wait,  
Jailbait baby come on

Hey babe you know you look so fine,  
Send shivers up and down my spine,  
I don't care about our different ages,  
I'm an open book with well thumbed pages,  
You're Jailbait, and I just can't wait,  
Jailbait baby come on
