Motorhead, Like A Nightmare

I wanna be there, I got to see, I wanna feel it, I wanna watch you looking at me

Oh you know how I feel, When you set me free Like a nightmare, Like a nightmare Nightmare

It's an affliction It's a disease But no reflection It's gonna make your blood freeze

Oh you know how I feel, When you set me free Like a nightmare, Like a nightmare, Like a nightmare A Nightmare

I can't believe you, You can't be true,

I know how you feel, I'm gonna set you free Like a nightmare, Like a nightmare sugar, Like a nightmare Nightmare
