

# Motorhead, Overkill

Only way to feel the noise is when it's good and loud,  
So good you can't believe it's screaming with the crowd,  
Don't sweat it, get it back to you,  
Overkill, Overkill

On your feet you feel the beat, it goes straight to your spine,  
Shake your head you must be dead if it don't make you fly,  
Don't sweat it, get it back to you,  
Overkill, Overkill

Know your body's made to move, feel it in your guts  
Rock 'n' roll ain't worth the name if it don't make you strut,  
Don't sweat it, get it back to you,  
Overkill, Overkill
