

# Mott The Hoople, You Are One Of Us

(Ian Hunter)

Well you know the way we go  
And you know the way we see  
Grateful for the chosen road  
Nice to have the memories  
And you know we won't forget you  
And you know we'll always care  
We won't follow no superstitions  
We ain't running anywhere

(hey)

Thankyou for the way you've been  
Each and every night

Thankyou for most everything

Thankyou baby, thankyou baby

Thankyou baby, thankyou baby
