

Moxy Fruvous, Nature Sounds

((Murray)

Play and record again.

(Dave)

Play and record at the same time.

(Jian)

Actually, do that shhhhh again.

That's good. If we...if we record enough of that, we can release one of those Nature Sounds tapes.

There's a big market for that, you know? You go into the drug store. \$20, you pick up sounds of the

(Mike)

(hoot owl sound)

"Honey, you look so calm."

"It's the tape. It's the audio cassette."

(Murray)

Better than real nature.

(Jian)

I've been listening to Lake Erie. Sweetheart?
