

# MoZella, I Will

Wait while I see  
if this is something I can do  
if this is something I can be  
caz I have never tried  
to show you who I really am  
without telling you lies  
and don&#039;t hesitate  
am standing on the edge of something  
am just too numb to know what it is

(chorus)  
if i can give it to you  
you know i will  
if i can give it to you  
you know i will  
i just want to love you  
i just want to love you  
i just want to love you  
and show you things that words cant do

wait while I breathe  
caz this is something that I still  
have not fully concieved  
and you just dont know  
the way this whole things turned on me

and i just cant let go  
and don&#039;t make me wait  
your hanging on the edge of something  
am just too numb to know what it is.

chorus

so there you go again  
caz i see what you want  
caz you want what you dont  
in time things will work out right  
so you say that I can wait  
I can wait  
I can wait.

If I can give it to you  
you know I will  
if I can give it to you  
you know I will  
I just want to love you  
I just want to love you  
I just want to love you  
I just want to love you  
If I can give it to you,  
then I will give it to you,  
I just want to .....  
I will give it to you.. to you..
