

# MoZella, Messiah

Amazing grace came in the form of a slap in the face,  
Now I don't believe what I see anymore,  
&#039;Cause it&#039;s all the same,  
We wander in and out of love like it&#039;s meant to scar us and we never change,  
No we never think to change

But don&#039;t tell me that I&#039;m wrong,  
You know I&#039;m not that strong,  
And I never thought that loving you would hurt for so long

Chorus:  
I worshipped you and I praised your name,  
And I lived through you like a messiah

While saving face I let my pride control me,  
When you refused to hold me and I never placed blame,  
And then one day it just occurred to me that you talked,  
And never heard me and,  
I stood by you and never changed,  
No we never think to change

But don&#039;t tell me that I&#039;m wrong,  
You know I&#039;m not that strong,  
And I never thought that loving you would hurt for so long

Lyrics  
I worshipped you and I praised your name,  
And I lived through you like a messiah

I worshipped you and I praised your name,  
And I lived through you like a messiah

And I bled for you and screamed your name,  
And I live through you like a messiah
