

MoZella, What To Say

You keep crying on the phone
so why don't you come home
so we can talk about
the things that I did wrong (pause) again
some how im always giving in
but I don't know what to say
to make you stay
and I don't know how to play the games you play
but I can't cry anymore
so whats this for
if you wanna leave... leave
cause everyone here knows that I
would lay down here and die
to make you smile
my timings never right
its no surprise
its no surprise that I've been up all night
and I don't know what to say
to make you stay
and I don't know how to play the games you play
but I can't cry anymore
so whats this for
if you wanna leave... leave
so hey this ain't so bad
just look at all the fun we've had
we fight to much, were out of touch
you're free
and you know the way it goes
go ahead blame it all on me
la la la la la la
la la la la la la
la la la la la la
la la la
yeah yeah yeah yeah
but I don't know what to say
to make you stay
and I don't know how to play
the games you play
no I don't know what to say
to make you stay
and I don't know I don't know
to make you stay
and I don't know what to say
to make you stay
and I don't know how to play
the games you play
but I cant cry anymore
so whats this for
if you wanna leave... leave
(I don't know I don't know I don't know) repeats
and I don't know what to say
and I don't know how to play
but I cant cry anymore
so whats this for
I don't know I don't know
what to say to make you stay
