Mr. Big, A Little Too Loose

Misguided woman knows my name Ain't got nobody else to blame I got a girl back home She's waiting all alone

Ten weeks of rock and roll arcade Seems like a year since I've been paid I got to let it go, no one will ever know

I got a little too loose In Oklahoma city I didn't care if she was young Didn't care if she was pretty I got a little too loose A little too loose A little too loose, oh, oh, oh

Keep little secrets far too long Guess that I'll put them in a song I got to let it go, no one will ever know

Baby, can I get you a taxi She said, "That's ok, tonight I'm staying here" All that little girl wanted yeah Was a slippery souvenir
