

# Mr. Big, Addicted to that rush

When I was a young boy  
My momma said to me  
"Once a woman gets your soul  
You'll never shake her free"  
These are words of wisdom  
It turns out she was right  
Gotta find a lover  
'Cause I need a fix tonight  
Whaaaaaaaaaaaa  
Watch it touch me deep inside  
Whaaaaaaaa  
Somthin' snaps inside my mind  
Whaaaaaaaa  
When I feel it comin' ain't no sense in runnin'  
I'm addicted to that rush  
Every time we touch  
Never get enough  
'Cause I'm addicted to that rush - Yeow!  
Look around I stop and stare  
Gotta get a taste  
Pretty women everywhere  
We ain't got time to waste  
Lookin' for a little thing  
To fit into my plans  
On the town I'll hunt you down  
I'm walkin' like a man  
Whaaaaaaaaaaaa  
Watch it touch me deep inside  
Whaaaaaaaa  
Somthin' snaps inside my mind  
Whaaaaaaaa  
When I feel it comin' ain't no sense in runnin'  
I'm addicted to that rush  
Every time we touch  
Never get enough  
I'm addicted to that rush  
Every time we touch  
Never get enough  
'Cause I'm addicted to that rush  
Whaaaaaaaaaaaa  
Watch it touch me deep inside  
Whaaaaaaaa  
Somthin' snaps inside my mind  
Whaaaaaaaa  
When I feel it comin' ain't no sense in runnin'  
Once I thought her lovin'  
Was a habit I could break  
But when I go without it  
My body starts to ache  
Addicted to that rush  
Every time we touch  
I'm addicted to that rush  
Never, never, never, never, never get enough  
Whaaaaaaaaaaaa  
Watch it touch me deep inside  
Whaaaaaaaa  
Somthin' snaps inside my mind  
Whaaaaaaaa  
When I feel it comin' ain't no sense in runnin'  
I'm addicted to that rush  
Yeow!
