

# Mr. Big, Never Say Never

I wanna know was it love or money  
Come clean tell the truth about what you've done  
Why did you give your love to another man?  
Girl, I believed you were the one  
I should a known I'd be caught in the middle  
No way out - no alibis  
I've tried my best but I don't understand  
What's so good about the long goodbyes - ya  
Never say never  
Cuz now we're together  
We'll keep holdin on til the end  
One look in your eyes and I knew I'd decided  
To never say never again... never again  
Gonna win one way or another  
No holds barred - it's just a matter of time  
Second time around I've got it covered  
I'm ready if ya wanna give me one more try - ya  
Never say never  
Cuz I still remember  
How we thought that love never ends  
Through good times and bad times  
It's always a fine line  
I'll never say never again  
So far so good  
You showed me how love is misunderstood  
Whatever it takes  
I've made some mistakes  
But never again  
Never say never  
Cuz now we're together  
We'll keep holdin on till the end  
One look in your eyes and I knew I'd decided  
To never say never again - never again
