

Mr. Capone-E, Summertime Anthem

(Chorus)

Nothing like the summer time, baby
homies in the park go, crazy
cruisin' in the block with your, lady
in the, in the, in the sunshine
kickin' back to the Summertime Anthem,
cruisin' in your ride with the Summertime Anthem,
I know your feelin' that Summertime Anthem,
so get down with the Summertime Anthem
Summerti-iime, Summerti-iime,
Summertime, yeaah
I know your feelin it, yeah hey

(1st verse/different person)

It's summer time and i'm feelin' so good,
wake up in the mornin' with the player's groove,
the weather's hot and i'm in my drop top
me and my friends rollin' through the parking lot,
today's a good day so call out the DJ,
bring the Gatorade, it's a sunny day
love the way i'm so fresh and so clean
out in the sunshine, you know what I mean?

(i don't know this line it's on 50-51 sec.)

so it's time to chill
i'm home and i'm relaxin' with the meat on the grill
and for real, (whistle) the girl's lookin so fine
dressed to impress and the weather's ain't denied
all the time, the homies bring the cars out,
black, white, brown, asians no doubt
it's a holiday, it's a sunny day
Summertime Anthem sing along hey!

(Chorus)

kickin' back to the Summertime Anthem,
cruisin' in your ride with the Summertime Anthem,
I know your feelin' that Summertime Anthem,
so get down with the Summertime Anthem
Summerti-iime, Summerti-iime,
Summertime, yeaah
I know your feelin it, yeah hey

(2nd verse)

It's still hot as I reach the mid-day,
water balloon fight, as the kids play
another day in the summer sunshine,
kites in the air as the food get's pre-pared!
all the fella's looking for the pretty girls,
(the pretty pretty girls out in the summer world),
like DJ Jazzy Jeff, and Fresh Prince,
it's summer time again, let's reminice
and how summer comes and goes and comes again,
school's out, let's all have some fun again
everyone with the ringtones blowing up,
it's the Summer Anthem song so you know what's up
play it loud, in the park, cruisin' in your ride,
everybody doing like these other kid times (?)
nevermind your problems, they go away

it's summer time everyday is a good day

(Chorus)

kickin' back to the Summertime Anthem,
cruisin' in your ride with the Summertime Anthem,
I know your feelin' that Summertime Anthem,
so get down with the Summertime Anthem
Summerti-iime, Summerti-iime,
Summertime, yeaah
I know your feelin it, yeah hey

(3rd verse)

Now it's 6 o' clock and it's feelin so good,
summer breeze straining throughout the neighborhood,
time to pack up the bags,
and the roll on now,
tempting the giggles with the music playin' loud
toastin, like it was 94'
remembering the boulevard after the car show,
damit, those were the good old days,
but the summertime's back and it's time to play

(Chorus...again)

Cruisin in the summertime, baby,
homies in the park goin', crazy,
crusin' in the block with your, lady,
in the, in the, in the sunshine
workin' like the summertime, baby
girl's lookin hot playa, face me
i'm so fresh from cleanin' so they praise me
in the, in the, in the sunshine

(x 2)

Lookin' back to the Summertime Anthem,
cruisin' in your ride with the Summertime Anthem,
I know your feelin that Summertime Anthem,
so get down with the Summertime Anthem
Summerti-iime, Summerti-iime,
Summertime, yeaah
I know your feelin it, yeah hey

(4th verse)

West-coast feelin' it,
Summertime Anthem
East-coast feelin' it,
Summertime Anthem
Mid-west feelin it,
Summertime Anthem
Down-South feelin it,
