

Mr. Hudson, Dancing Thru It

These are my dark days, I wait for the night
Things become simpler, it's easier to hide
I don't deserve you,
I welcome my shame
I justify this, it's my only way

All of the walls are closing in
Wherever I go
I'm having the worst time ever
But they'll never know
Cause I'm dancing thru it
Dancing thru it
I'm dancing thru it
Dancing thru it

The soul of the party with tears in my eyes
Guilty decisions are plaguing my mind
You don't deserve this,
No you're not to blame
I justify this, it's my only way

All of the walls are closing in
Wherever I go
I'm having the worst time ever
But they'll never know
Cause I'm dancing thru it
I'm dancing thru it
I'm dancing thru it
I'm dancing thru it
