

Mr. Mister, Don't Slow Down

I look into your eyes, I see the dream that I've been searching for
I'll search no more
The age of innocence is never truly spent when there is love
Still there to touch

Chorus:

So don't slow down, the wheels are turning, the fire's burning in us now
Don't slow down, don't lose the magic, we've come too far to turn back now

I ask to share your dreams, recalling empty scenes, you hesitate
It's not too late
I wish into your eyes, the truth of what I am behind the mask
Beyond the past

(chorus)

Don't slow down!

(chorus) - don't slow down

Don't slow down, yeah
