

Mr. Mister, Talk The Talk

Talk to me, tell me what you're thinking
Talk to me, say the words I want to hear
'Cos I can be entertaining, so what do you like, what do you want to do

Don't be a - don't be a stranger, I wanna - I wanna take you
Somewhere that - somewhere that we can

Chorus:

Talk the talk, start up a conversation
Talk the talk, put me inside your mind
Talk the talk, it could be a revelation
Talk the talk, we're talkin' the talk this time

Talk to me, I can see you wanna
Talk to me, just say the words I want to hear
We can be entertaining, I know what you like, I know what you want to see

Don't be a - don't be a stranger, I wanna - I wanna take you
Somewhere that - somewhere that we can

(chorus)

(Talk to me...)

(Solo)

Don't be a - don't be a stranger, I wanna - I wanna take you
Somewhere that - somewhere that we can

(chorus repeats 2x...)

(Talk the talk, talk the talk) Talk to me girl
Talk the talk, yeah yeah, talk the talk
Talk the talk the talk the talk
