

Mr. President, I Love To Love

Ooh I love to love
But my Baby just loves to dance
He wants to dance
He loves to dance
He's got to dance
Ooh I love to love
But my Baby just loves to dance

Oh I love to love
But there's not time for our romance, no no no-oh
Oh I love to love
But my Baby just loves to dance

The minute the band begins to swing it
He's outta space to dig it
And dance the night away
Stop, I'm spinning like a top
We'll dance until we drop
But if my head away

Oh I love to love
But he won't give our love a chance, no no no-oh
Oh I love to love
But my Baby just loves to dance

Stop, I'm spinning like a top
We'll dance until we drop
But if I had my way
Stop now instead of going downtown

We'll stay at home and get down
To what I'm trying to say

Ooh I love to love
But my Baby just loves to dance
Yeah yeah eh

Baby you know how I love to dance
But for everything's a time so give me a chance
You know I like to move what I got
So later on alone you and me can get hot
I love you just as much as you love me
Because I know that you see that's how things should be
I know you love to love and that it's true
But Baby I love to love you too

I love to love
But my Baby just loves to dance
Yes he does
I love to love
But my Baby just loves to dance
Yeah yeah eh

I love to love and my love is true
And that is the love that I give to you
I love to love and my love is true
And Baby I say that I love you
