

Mr. President, Olympic Dreams

JoJo c'est la vie (2x)
His name is JoJo
He's sexy talking - hip hip hip
And JoJo go-go
He's funky walking - tip tip tip
He's sweet as honey can be
A coconut tree
I feel lazy crazy
When JoJo's acting
Selecting he says - you you you
He takes you dancing
Romancing makes you
Blue blue blue
He's like a bird on a tree
A sweet harmony
I feel lazy crazy

Chorus:

JoJo Action - satisfaction
Candy apple tree
JoJo Action - satisfaction
JoJo honey bee
Listen JoJo Action
Gimme satisfaction
JoJo c'est la vie
Listen JoJo Action
Gimme me satisfaction
JoJo come with me
When JoJo's smoking
He's joking kind of - tip tip tip
Gives you illusion
Confusion very - hip hip hip
He makes you fire and ice
And JoJo's so nice
I feel lazy crazy

Chorus

Rap:

Hey JoJo, you are down at the disco
Turn up your collar
And you're ready to go-go
Hip hip hip, let's do it
Tip tip tip, come on
