All you got to do is put your mind to it

Pure and simple as the air that you breath
Don't make competition put you down
Give your best shot and turn things around
Life is too short so wipe off the frown
You're the king of your life wear the crown
Be strong, learn how to face your situation
All you need is the determination
Put your best foot forward if you choose to chance it
Cause want it enough than you can get it
