

Mr. Sancho, Rowan

You're just like the kid next door
Still too gay and immature
You always seem to wank aloud
We don't want you but you're always found

Why do you come onto me (gay boy)
So everyone can see (can see)
You dead on live TV

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK

What did you annoy me for
Don't wanna be gay no more
Why don't you go get stoned
So fuck off leave me alone

Why do you come onto me (gay boy)
So everyone can see (can see)
You dead on live TV

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK

Hey, Rowan, I love to say
Just fucking go away
Don't come back another day, OK
