

# Mr. T Experience, Elizabeth Or Fight!

Elizabeth,  
don't look to me  
you can be yourself or find some other way to be  
but time won't wait  
and even if it does  
it's unlikely to go back to how it was  
so my advice is to not think twice:  
Elizabethorfight

stick to your guns  
it won't be long before  
surrendering won't be an option anymore  
so in the end I recommend:  
Elizabethorfight

peace whenever justice will allow  
peace forever  
Elizabeth for now

if that means eternally  
fighting for Elizabeth and Liberty  
or the reverse  
you could do much worse:  
Elizabethorfight.
