

Mr. T Experience, I Ain't Gonna Be History

No, no we're never gonna take it
No, no we're never gonna fake it
C'mon now, get in line
Put your life right on the line
You're only gonna end up ashes in a jar
Said, I ain't gonna be history I ain't gonna be history
Don't cry for me
Won't be real ?
Don't cry for me, don't cry for me!
No, no we're never gonna take it
No, no we're never gonna fake it
C'mon now, get in line
Put your life right on the line
You're only gonna end up ashes in a jar
Say, I ain't gonna be history I ain't gonna be history
I ain't gonna be history
I ain't gonna be history
