

Mr. T Experience, I Wanna Be Sedated

Twenty-twenty-twenty four hours to go
I wanna be sedated
Nothing to do
Nowhere to go
I wanna be sedated
Just get me to the airport
And put me on a plane
Hurry hurry hurry before I go insane
I can control my fingers
I can control my brain
Oh no oh ho
Just put me in a wheelchair
And get me to the show
Hurry hurry hurry before I go loco
I can control my fingers
I can control my toes
Oh no oh ho.
