

# Mr. T Experience, Wearing Out

We used to be so happy  
Now it's wearing out  
that's why they say I have  
To break with the past  
do something new  
Sounds so good  
I wish I could  
Cause now it's wearing out  
I always say  
We'll find a way  
Doesn't matter now  
Cause it's wearing out  
And I'm wearing out  
I wish tht I had another try  
Without wearing out
