

# Mr. T Experience, What Is Punk?

Had a dream I was on TV  
Phil Donahue meets Mr. T  
I came on stage, sat down, and cracked a beer  
Phil said, "I really love the band.  
My daughter is your biggest fan.  
But there is just one thing I've got to hear:  
What is punk?"  
I said, "we drink a lot of Stroh's,"  
and Alex punched him in the nose  
"we see your daughter after every show"  
then we set fire to his hair  
and stole his pen and broke his chair  
He said, "There's just one thing I want to know:  
What is punk?"  
We scrawled the walls with MTX  
while Byron grabbed him by the neck  
Frank said the seven words you shouldn't say  
Then Alex started looking pissed  
and said, "I hope we're paid for this"  
and Phil said, "Thank you, guys, you made my  
day-but:  
What is punk?"
