

Mr. Zippy, Here We Go Again

Here we go again
Down that road again
Never knowing any end

So here we go again
Never knowing when
The story's ever going to end

Why was everything so simple when we're young
We had the greatest time
The sun always shines
Why was everything so simple back
If I could
I'd do it all again
I'd do it all again

I'm still learning
Still growing
Still taking it all in
