[Sticky feat. Ms. Dynamite]

Booo!

...We tell them,
getta widda widda getta wid tha drum
getta widda widda getta wid tha drum
I fight on my tongue like you no my son

my lyrical tongue be your medicine
getta widda widda getta wid tha drum
getta widda widda getta wid tha drum
I fight on my tongue like you no my son

my lyrical tongue be your medicine
Feel tha bad girl bass
Feel tha bad girl bass injection
Yes, indeed you're wid tha boom selection
This ones psychotic at your resection
It's tha rage insane & when we feel no pain
Excuse while I get into your brain
Let tha bass a vibrate them veins
