If I had that thing on me woulda shot you right then  
If I had that thing on me I woulda popped you right then

And If I ever had beef you had the full pound for me  
Fuck your trucks, fuck your niggas, fuck your bitches and shit

Financially there when I needed you but so the fuck what  
You stopped callin', came thru wit that bitch in your truck  
Bet you expected me to cry nigga, I smoked fly nigga  
And I'ma be straiight from now til I die nigga  
Fuck you and everthing you stand for  
I shoulda knownn not to never fall in love wit a whore  
Fooled youself, like I wouldn't ever get it together wit out you  
Listen up wasted skin I'm much better without you

(Chorus - Lil' Mo)

Niggas you toyed wit my teenage years and my womanhood  
I hate you, hope I make it understood, Good bye  
Why you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasn't at all,all, all  
Why you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasn't at all,all, all

(Verse 2 - Ms Jade)

Took me to the spot that you like to gamble at  
Had my boys in the spot that you liked to gamble at  
Luckily you was may day, walkin' around like it's ok  
Big man in the streets, huh, yeah ok  
Lead me on, told me I was gonna be your wife  
Nice cars, big house, living a beautiful life  
Yeah it's true I stopped fuckin' wit u plenty of times  
But I change plans wit my girls for you many a times  
Stepped back and thought about the dumb shit you put me thru  
Broke alota niggas heart's cuz I was fuckin' wit you  
Honestly I'm kinda glad that I learned from my mistakes, nigga  
Be a better person, fly bitch, get this cake nigga  
You gonna see I was the best you had  
You say you love me and you sorry, well that's too bad

(Chorus - Lil' Mo)

Niggas you toyed wit my teenage years and my womanhood  
I hate you, hope I make it understood, Good bye  
Why you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasn't at all,all, all  
Why you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasnt at all,all, all

(Verse 3)

Nigga if you see me in the street, I don't want you to speak  
And if I ever have a show. I don't want you to go  
It ain't no comin' back to you cuz, I'm hatin' you now  
And usally when I hate a nigga then I'm layin' em down  
I can't seem to understand why I fell for you  
Pushed keys overseas, went to jail for you  
When you got knock, I came through wit the bell for you  
You had beef, I was there bustin' shells for you  
I risked my life, shit I did a fuckin' ? for you  
If I ain't miscarry woulda had a kid for you  
I shoulda robbed all that fuckin' coke I hid for you  
You gonna play me after everything I did for you  
I'm pissed off I know you here the fuckin' anger in my voice  
Stay around, blow town, you make the choice  
But if your here when I come back  
I'm still on your ass  
I'm mad as shit, I'd probably wind up killin' your ass

(Chorus - Lil' Mo)

Why you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasn't at all,all, all  
What you tell me that you love me, why you tell me that you care for me  
When you didn't do it  
Why you thought that you was there for me  
When you wasn't at all,all, all

(Outro)

Yo I just wanna thank the guys  
The guys who, who made us feel like this  
Made us understand how strong we are as women
