

Mud Flow, Child's Play

I gave all my love
Mischievous game
That sound like child's play
Did you play your role ?
Have I been good in bed ?
Yeah,
Anyway... hey hey

All for c KO
I know the rules
And it is child's play
Watch the kiss of death
Before I change my mind
Or
Slip away...hey hey

I juste wanna know
When does a man begin to know
Where he doesn't have to go
Have I been right this time ?
Yeah ?
Anyway... hey hey
