

Mud Flow, Loco

You're loco (x 2)
But it's not enough for me
They say you're pretty
You're pretty baby
But it's not enough for me

Except when you dance
Except when you dance what I see is Spain
Even in your sleep
Even in your sleep guess it's about Spain
Even when we're dressed in Black & White
Why don't you come back by my side
Even for a while (x 2)

You're stupid (x 2)
But that's quite enough for me
They say you're pretty
You're pretty ugly
That's quite enough for me

Except when you dance
Except when you dance what I see it's pain
Even in your sleep
Even in your sleep guess it's about pain
Even when we're dressed in blue & white
Why don't you stay here by my side?
Even for a while (x 2)

Heaven for a while (x 4)
