

# Muddy Waters, Good News

I got a letter this morning my wife had a brand new baby girl  
When I got the news I was half way round the world  
That's good news Oh boy that's good news  
Oh boy that's good news, what my baby says

You know I'm leaving in the morning, I'm on my way home  
When I get there I'm gonna rock that woman in my arms  
That's good news Oh boy that's good news  
Oh boy that's good news, what my baby says

You know I'm gonna give away candy, I'm gonna have cigars (for sale)  
I know she love me and boy she wouldn't fail  
That's good news Oh boy that's good news  
Oh boy that's good news, what my baby says

Well you know as soon as I get home, I'm gonna rock that baby on my knees  
Reach out to kiss her mother and say girl you can't be beat  
That's good news Oh boy that's good news  
Oh boy that's good news, what my baby says
