Muddy Waters, You Gonna Miss Me

Let me tell you people a low down thing or two I just can't stand that old evil way she do She gonna miss me, yeah, you're gonna miss me You're gonna miss me baby, when I'm dead and gone

Came home this mornin', she wouldn't let me in She said, "Go away baby, I got too many friends" You're gonna miss me, yeah, you're gonna miss me You're gonna miss me baby, when I'm dead and gone

Hard to love a woman when the woman don't love you She'll treat you so low down 'n' dirty, 'till you won't know what to do You're gonna miss me, hey, you're gonna miss me baby You're gonna miss me woman, when I'm dead and gone

Well, bye-bye baby, I hope we meet again You won't be so evil when you won't have too many men You're gonna miss me baby, yeah, you're gonna miss me Yeah, you're gonna miss me woman, when I'm dead and gone
