

Mudhoney, 1995

Well, it's 1995, my friend and we're closin' in on the end
Another year for you and me
Time to recognize what you see

What you lookin' at
What you lookin' at
What are you lookin' at
What are you lookin' at

It's 1995 all right
They say I'm lucky to be alive
Yeah, me and everybody else
Along with you and everybody else, huh

What you lookin' at What you lookin' at
What the fuck are you lookin' at
What are you lookin' at
It's gettin' ugly
