

# Mudhoney, Dissolve

Watch me  
Now

They line them up  
They make them stand tall  
They line them up  
Just to watch 'em fall

Oh I don't think I can take no more  
And I don't think I want no more  
Gonna walk right through that open door  
And lock it tight behind me

No, I don't like it here  
No, I don't like at all  
No, I don't like it here  
Watch me while I dissolve

I'm gone  
But I know where to find you  
If I want to  
I'm gone
