

Mudhoney, Dissolve

Watch me
Now

They line them up
They make them stand tall
They line them up
Just to watch 'em fall

Oh I don't think I can take no more
And I don't think I want no more
Gonna walk right through that open door
And lock it tight behind me

No, I don't like it here
No, I don't like at all
No, I don't like it here
Watch me while I dissolve

I'm gone
But I know where to find you
If I want to
I'm gone
