

Mudhoney, Make It Now Again

Make a hole
Make it wide
Make a hole
Make it wide

Make it now
Make it now
Make it now
Make it now

I'm so far from here
I'm so far from here
I'm so far from here
I'm so far from here right now

Make me whole
Make me right
Make me whole
Make me right

Make it now
Make it now
Make it now
Make it now

Behind these walls, locked up tight
No more darkness, no room for light
Speak to me

I'm so far from here
I'm so far from here
I'm so far from here
I'm so far from here right now
