

Mudmen, Underdog

Day close purple sky
Somehow nothing seems real
Cigarette sunset
Has the world forgotten how to feel?
Can you feel?
Can you feel?

I believe in the underdog
I stood in the rain
I believe in the lost cause
I believe in getting through the pain

I don't think the singer
Is the leader of the band
There has been that deception
All the laughter is dead
Can you feel it?
Can you feel it?
Can you!?!?

Chorus

Day close purple sky.
Somehow nothing seems real
Cigarette sunset.
Has the world forgotten how to feel?

Chorus (x2)
